

A manga-style illustration of a young girl with short brown hair and blue eyes, wearing a green and yellow outfit. Y... Yeah...  
But I'm  
sorry.

Ah, don't  
worry about  
it. It'll be fun  
with everyone  
here.

It's because  
I brought  
the  
guidebook  
to the  
clubroom.

Oh,  
going  
hiking,  
eh?

But when  
we were  
discussing  
the  
details--

Chiharu and  
I promised we'd  
go pick mountain  
vegetables  
together once it  
got warm.

Now we  
can't  
go pick  
mountain  
vegetables.

There's no  
need to  
apologize,  
Chiharu!  
Hiking is fun!

Ngaa!!

Plus if Kirika  
didn't see  
you guys,  
you guys  
would have  
gone alone!

Th...  
That's  
right,  
Yuriko!

W... What are  
you talk-  
ing about,  
Yuriko...? I...

hm... You  
guys are  
acting  
suspicious!

All right!  
Mountains!!

The  
entire  
club  
came  
for the  
hiking  
trip!

--Kirika saw  
us and we  
couldn't tell  
her we were  
planning to go  
by ourselves  
so...

We're  
going to  
fully enjoy  
the great  
outdoors!

Sure... For  
the most  
part...

Densuke, is  
everything  
ready?

Eh...

Ah... I'm  
sorry,  
Densuke.

Sigh... Having a  
big crowd is fine  
but I still wish we  
could have come  
by ourselves.

Aah... D...  
Densuke!

S... She's  
gone...

Hikaru...

Huh?

W... Wow,  
we're  
flying.

Let's  
go!

I've always  
been scared to  
do something  
like this but—

—Being  
up here is  
great!

I know!

This is  
great,  
Hikaru!

The tree  
acted as a  
cushion...

H...  
Hikaru!

I... I'm  
fine...

Ahhh!  
That was  
fun!

That  
was really  
awesome,  
Hikaru!

Ah, we're  
staring to  
descend.

I'm  
glad I  
did it!

It's fun,  
but it  
hurts.

Geh!!

Densuke!!

I know.

Y... You finally got me? I... I wasn't...

You went to the bathroom, right?

Boo! I finally got you!!

Y... Yuriko!

Oh, Densuke.

Yay!

♡

Ah, but I'm older.

It'd be weird if I was playing with little kids.

Eh... Okay.

Why don't you join us?

Yes, it's a roller slide so it's really fast! It's fun.

♡

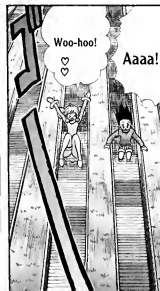

You were playing on the slide?

Found you!!

Roller slides are so fast!

Woo-hoo!

♡

Aaaa!

Aaah!

Y... You're hurting me... Densuke...

!!!

Aah!! S... Stop!! Yuriko!!

Nn...

Mm...

Aaa! Look! In front of you!!

The more you refuse, the more I want to do it.

Your mouth!?

I'll check with my mouth if you really went.

What are you doing, Yuriko?

We finished going down the slide!!

Aah!!

Eek!!

Why does this always happen?!

Ahhh! I... I'm sorry Chiharu!

Better luck next time, Yuriko.

!!!

Where's Chiharu?

I rented a raft so I came to get Chiharu.

Ah, Kirika.

ah...

Y... yeah.  
It's a little  
scary but the  
wind feels  
great.

Are you  
having fun,  
Chiharu?

All  
right!  
Row!!

Here  
we  
go!!

E...  
Eek!!

Unnnn...

One, tow.  
One, two.

Ng...  
Mggg...

Fmeeee

It... It's  
okay...

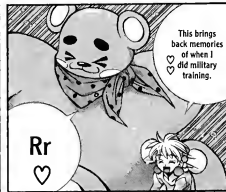

I... I'm  
sorry,  
Densuke.

Ch... Chiharu's  
hanging onto  
my shoulder!!

Th... This  
sure is a  
bumpy ride!

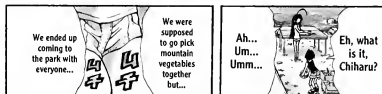

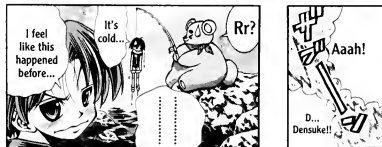

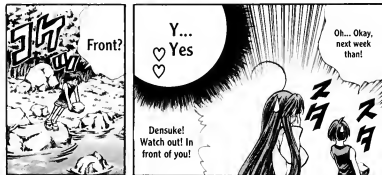

This brings  
back memories  
of when I  
did military  
training.

## Matsu's Corner

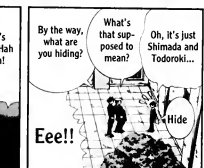

Volume 12 of Eiken is out! When I'm drawing Eiken, I always think to myself "I'm going to draw this manga until I get to ten, or twenty volumes!"

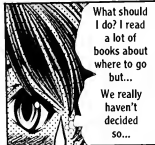

This is all thanks to the readers.

Right now, it's August 2003 at 4:50 A.M. and there's a typhoon outside. I sat down at my desk at 8 o'clock, drew five rough pages of chapter 115, inked one page and am writing this bonus page. (I also watched the rerun of Shaberiba, played FF Crystal Chronicles, TLS (True Love Story), and Pokemon Pinball) I'm lazily working... (^^) My assistants are coming tomorrow so I have to have at least seven pages inked by then... (Sweat) Oh...

And... I need to set my TV to record Dejiko and Project X before I go buy art supplies in Shinjuku!!!

N...  
No!!

So he  
can  
fondle  
her  
breasts

Jiggle!!

"Aah"?  
What  
am I, a  
ghost?

Aaa... K...  
Kirika!!

What  
are you  
guys  
doing in  
a place  
like this?

W...  
Well...  
Um...

I'm getting  
suspicious!

What's  
with the  
face?

At this  
rate, the  
entire club  
will come  
again!

He lured  
my sister to  
some place  
secluded...

That's  
because...

Chiharu and  
Densuke

Hey!

Ehh!!

Eek!

Yeah, Hikaru was really happy we helped her.

It took us longer than I expected to clean the hallway.

Yes, I'm fine, Densuke.

Um... Are you all right?

D... Densuke. Hikaru...

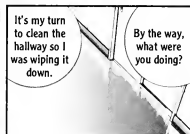

Aaaa! S... Sorry! Hikaru!!

Yes, the other two people on duty are out sick.

I'm almost done anyway.

The hallway? You were cleaning all this by yourself?

It's my turn to clean the hallway so I was wiping it down.

By the way, what were you doing?

D... Densuke...

Yes!!

Hurry up and decide where we're going and put Chiharu at ease.

W... Why are you nervous, Densuke...?

Eh... S... Sure...

L... Let's sit down over there.

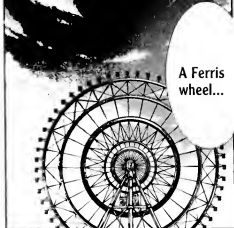

Eh... Are you sure?

We can help.

Um... If it's okay with you...

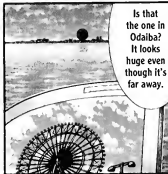

A Ferris wheel...

But it's really expensive...

I bet if we go there it'll be romantic...

Is that the one in Odaiba? It looks huge even though it's far away.

You want to ride the Ferris wheel in Odaiba, Densuke?

Stop thinking about it and talk.

Um... So where should we go?

Yeah...

W... Where should we go? It has to be a place that makes Chiharu happy.

Ah... Okay...

I... I'll go get us some juice.

Hurry up and decide where to go!

Indecisive men are no good!

I got nervous and ran away!

Daaa! No! No! No!

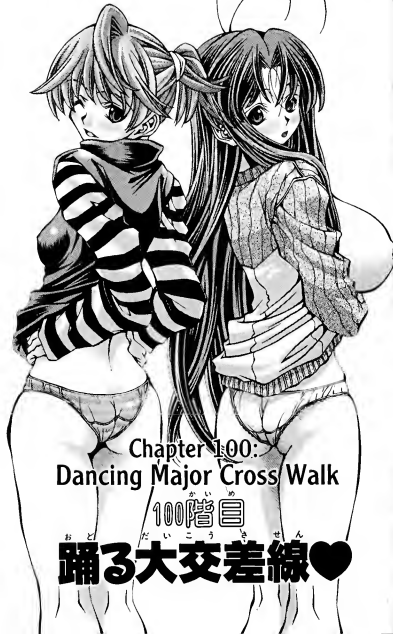

What have I  
done?!?!

make stuff  
you like.

Th...  
Thanks,  
that'll be  
great.

O...  
Okay.

... Let's start  
walking home,  
Chiharu.

This is bad!  
At this rate,  
Chiharu and  
Miharu...

Will bump  
into each  
other!!

Is it okay if I  
bring lunch  
for us?

I feel bad  
using your  
tickets so...

Okay.

P... Please  
don't stare,  
Densuke.

No, it's not just  
her heartbeat...  
It feels like our

Here,  
Densuke.  
It's tea.

—She's  
not like  
other  
girls.

Chiharu's  
lunch  
is so  
good.

The  
Chiharu  
I know...

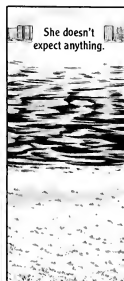

There's no  
need to  
worry about  
what's going  
on around  
us.

I'm on a  
date with  
Chiharu.

She makes  
me happy  
just being  
with her.

She doesn't  
expect anything.

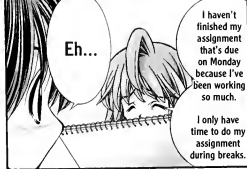

She  
doesn't  
expect an  
expensive  
gift.

Or, an  
expensive  
dinner!

Now's my chance to get on the Ferris wheel and get into a romantic mood with Chiharu!

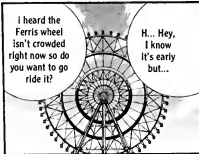

The Ferris wheel isn't crowded right now...

She's on break...

Okay, let's go.

Yes, let's go.

I heard the Ferris wheel isn't crowded right now so do you want to go ride it?

H... Hey, I know It's early but...

Yeah.

I think we'll be able to get on soon.

Look, it's not too crowded, Chiharu.

Ooh! We might end the date on a really good note! ♡

I... I'm sorry. You were taking long so I came looking for you...

W... What are you doing here?

Ch... Chiharu!!

I saw you talking to someone

Did something happen?

Th... Thanks, Densuke.

Ah, there's no need to apologize. Here's your hat.

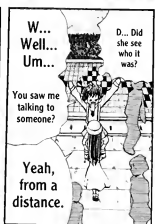

Wait... Chiharu...

Y... Yeah, they were asking me directions.

Was someone asking you for directions?

Thank god, she didn't realize it was Miharu...

W... Well... Um...

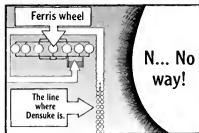

You saw me talking to someone?

Yeah, from a distance.

D... Did she see who it was?

We won't bump into her that easily...

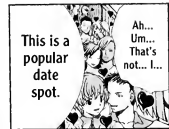

Chapter 101:

Dancing Major Cross Walk: The Boobies

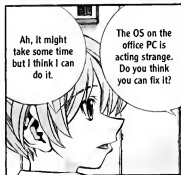

101話 踊る大交差線ザ・ブービー

Have  
some.

This is  
for you.

It's probably  
because there  
aren't any  
high rises.

We've only  
gone up a  
little bit but  
you can see  
the ocean.

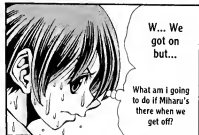

You don't  
look well.  
Are you  
okay?

D...  
Densuke...

W... We  
got on  
but...

What am I going  
to do if Miharu's  
there when we  
get off?

Uh...  
Densuke.

You're  
probably  
not that  
hungry yet  
but...

Yeah.

L... Let's  
look at the  
view.

Stop thinking  
about Miharu  
right now and...

Try to have fun  
with Chiharu!

Don't worry  
about me...

Ah, yeah!  
I'm fine!

Okay...

Wow...

I wonder  
if I fell in  
love with  
her because  
of her  
kindness...

Th...  
Thanks.

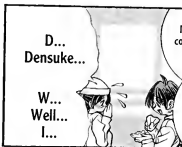

Ch...  
Chiharu  
made  
them...

Yes, but  
it's the first  
time I baked  
cookies so it  
might not be  
good...

Wow,  
cookies.

I can have  
these?

D...  
Densuke...

W...  
Well...  
I...

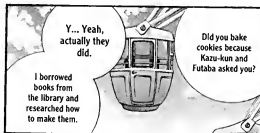

It tastes like  
cookies sold at  
a store.

They're your  
first homemade  
cookies but they  
taste great.

Hey... Did  
you really  
make this?

Eh... Y...  
Yeah...

Y... Yeah,  
actually they  
did.

I borrowed  
books from  
the library and  
researched how  
to make them.

Did you bake  
cookies because  
Kazu-kun and  
Futaba asked you?

Chiharu's  
such a  
sweet girl...

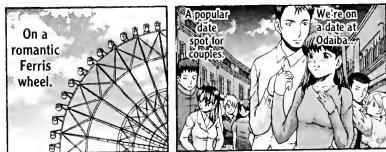

She learned  
how to bake  
cookies for  
her younger  
siblings.

Oh, there's  
no need to  
apologize.

We just ate  
lunch so this  
is perfect.

I'm sorry,  
I only  
brought a  
little bit.

The reflection  
of the sunset  
on the ocean is  
beautiful.

Look  
Densuke.

Maybe I  
should tell  
her how I  
feel...

As the  
guy...

A...  
Anyway, a  
chance like  
this will  
never  
come  
again!

Daa! You  
can think  
about that  
later!

If I tell her  
I love her  
and she  
rejects me  
it'll be all  
over.

Ah...  
but...  
but...

I think it's  
the sound  
of the cart  
shaking?

W... What  
was that  
sound just  
now?

Umm...  
Densuke...

Um...

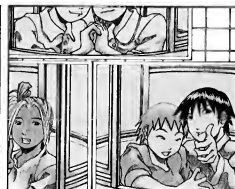

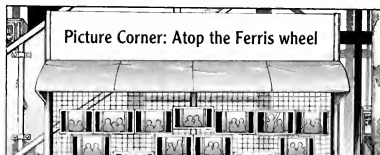

It took us  
a while to get  
up here but  
we made it  
just in time  
for sunset.

I didn't  
realize  
we  
reached  
the top.

How  
beautiful...

Oh...

They're only three words but... they're very important words...

If I have another opportunity to go on another date with Chiharu...

As...  
As long  
as I'm  
with  
you...

Densuke!

Y... Yeah. I'm sorry, Densuke.

Are you tired? Are you okay?

Sigh.

Sure.

We still have time so let's relax in the sun.

We would...

If we become closer...

Ehhhhh...

Eh... W... What is it, Densuke?

Ah...

Eh... Um... No...

Is... Is she reading my mind?

Plus your grin... You're probably fantasizing something more explicit than usual.

Don't attack Chiharu, Densuke!

The leftover sandwiches are half off right now at the school store.

A... Anyway, let's head to the main faculty room...

I... I'm not going to attack her!!

Eh...

Ah,  
okay...  
Thanks...

Ah, don't  
worry.

Densuke...

This is what  
I get for  
daydreaming  
about  
Chiharu and  
not paying

With

I'd rather  
be doing  
something  
like this...

How

telling  
her,  
how I  
feel...

A black and white manga-style illustration of a young woman with short, wavy hair tied in a ponytail. She is wearing a towel over her shoulders and is looking back over her shoulder with a slightly questioning expression. She is holding a pair of jeans in front of her.

Densuke!  
Is this jeans  
suited to me?

### Illustration Chat

Volume 12 is the first time I featured Yuriko alone on the cover. (Star)  
I figured I should since she's one of the main heroines after Chiharu and Miharu. (Heart) The concept for the cover art is "a healthy dose of sexiness"... Usually, I'd have the panty digging in more in Eiken but explicit images can't be displayed at the storefront so I censored it a bit. (laugh)

W... Well...  
Um... You  
know...

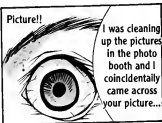

D... Did she  
see us!?

On the ferris  
wheel...

Come to think  
of it, there  
was a "click" at  
the top of the  
Ferris wheel...

Picture!!

I was cleaning  
up the pictures  
in the photo  
booth and I  
coincidentally  
came across  
your picture...

F... Finally  
Miharu found out  
about Chiharu  
and me...

So...

There's proof  
Chiharu and I  
were on the Ferris  
wheel together!!

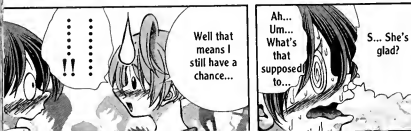

I saw  
you...

With  
someone  
else...

She's

bothering me  
so...

Ah hah hah!  
Don't worry  
about it,  
Densuke.

B... But... um...

She wanted to  
ride the  
Ferris wheel  
so... Um...

W... Well  
we're in the  
same club  
and...

I didn't  
think it was

else with  
the tickets

S... Sorry,  
Miharu...

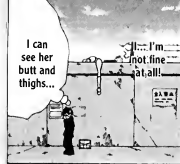

But...

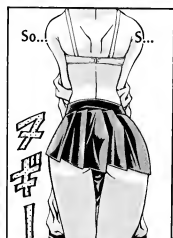

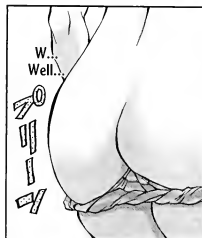

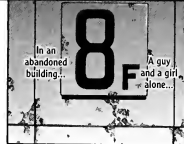

I'm sorry I

I'm the one who  
gave you the  
tickets. It's up  
to you to decide  
how to use them.

The sunset...

Eh...

I... I'm not ready for this...

L... Look?

Look... Densuke.

If I fantasize anymore I'm going to get a bloody nose...

I come here all the time to do my sketches for the National Art Competition in the fall.

Yeah, it's my favorite spot. Isn't it beautiful?

Wow, you can see the entire city from here.

See?

Eh...

You're my first guest, Densuke.

Ah... Art supplies.

Look over here too!

This place is also my secret hideout.

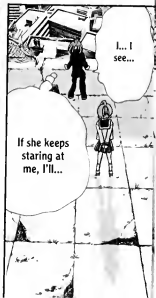

W... What  
does she  
want to tell  
me?

W... What  
chance?

There's  
something I  
want to tell  
you...

Aah... M...

Chapter 104:

A World Hikaru Doesn't Know

104巻 言ひかるの知らない世界

I decided to feature Nadeshiko on the back cover because Yuriko was featured on the front. When I thought about a sexy illustration of her I realized the only thing that would work was her in a bathing suit... (Sweat) (Plus she has big breasts so...) I imagined her as a gravure idol so her body is very voluptuous. (Star) I actually enjoy drawing both male and female characters with glasses.

Densuke is also featured on the back cover. All the male characters, including Densuke aren't as featured as much the female characters in Eiken so I wanted to draw him... (sweat) I wanted him to look cute so he looks rather girly.

Yes, I like them too.

イナカ

It's great. These abandoned tracks really make you feel you're in the middle of nowhere.

Ah...

Ah...

Eek!!

Watch out, Hikaru!

Yes. I hear it raises your chances of experiencing something paranormal.

Yes, I'm really weak so I always get like this.

You're out of breath. Are you okay, Hikaru?

Oh... It's only a little further.

Hff

Hff

Do you know how much further the haunted place is?

!!!

Ah...

Don't worry.

The lantern is about to go out...

I brought extra candles just in case.

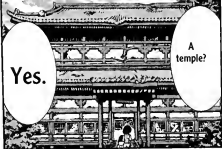

I'll exchange the candle.

I read this temple is going to be the most popular haunted place this summer.

This temple was abandoned over ten years ago.

Yes.

A temple?

It might be because we're here during the day but...

I see... Well...

Hah hah. Me too.

Actually I was worried what I was going to do—

It's so  
seductive!!

On top of  
that, she  
has nicely  
shaped  
breasts...

Just  
think  
about  
saving  
Hikaru!!

D... Don't  
think  
about it!!

Ah... Um...  
I'm taking  
off your  
underwear.

Wait, Um...  
I'll be  
there!  
Stop staring  
at her  
body!

Y...  
Yes...

Aaah!

I have to  
suck out

Chapter 105:

Last name is Ginten, First name is Chou

105階 姓は銀天名は蝶

We should both be careful.

We might get in an accident if we both don't pay attention.

Um... I... I'm really sorry.

Eek!

Aah!!

Ah... Well...

Densuke, you need to grow some balls.

Y... Yes. Sorry.

She even checks the lamps...

Yes, Treasury President

Isouda, #67 light is flickering. Please send a request to the maintenance division immediately.

Flicker Flicker

Huh? An envelope?

R... Really...

She's always been a workaholic.

Chou Ginten...

You're such an idiot, Densuke. That's what you get for not paying attention.

I wasn't paying attention either so it's my fault too.

Oww... S... Sorry.

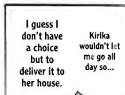

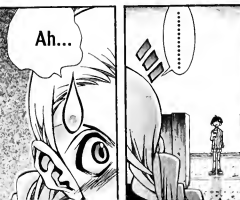

It's fine, Densuke.

Oh your files are scattered.

Ah...

I... I think Chou's embarrassed that I'm seeing her private life

I was gardening...

I... Just so you know...

Y... Your brothers are so energetic.

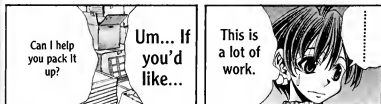

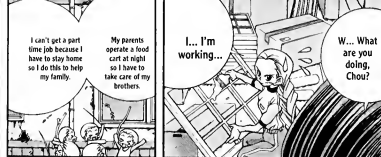

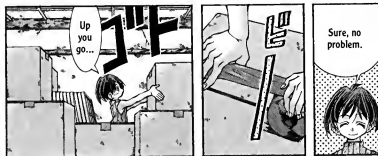

Yay! Sissy's mad!

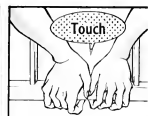

You're always wearing that.

Sissy, stop putting up a front!

--Be friends?

C...  
Can we--

Ah...  
yes.

Are you sure  
it's okay if I  
go in first?

You're  
so  
polite.

--the  
bathwater  
after me.

I feel kind of  
bad if you  
had to use--

Th... This  
apartment...

It's so old  
I can hear  
everything  
from the  
bathroom.

I... I  
see...

It doesn't  
bother me  
though. I'm  
always the last  
one to take a  
bath.

Moving  
forward...

If... If  
it's okay  
with  
you...

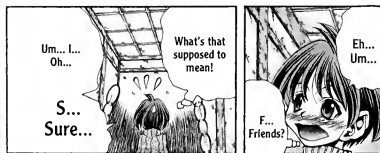

Until now  
I spoke to  
you and the  
Eiken club as  
a member of  
the student  
government  
but...

I know  
this is  
sudden  
but...

Y...  
Yes?

D...  
Densuke...

It... It's  
making  
me  
nervous...

Thanks for everything today. You even let me take a bath at your house...

You came to deliver something but...

Um... A... Also...

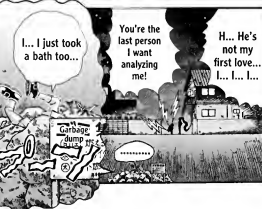

Piki!!!

Ohhh! Chou! Are you stuttering talking to your first love?

...In... Invite you... t... to... my...

.....  
? ? ? ?

I... I just took a bath too...

You're the last person I want analyzing me!

H... He's not my first love... I... I... I...

Hey! Good evening!

Kirikai!!

It's strange taking a bath at someone else's house...

I wonder what Chou was trying to say?

I feel like I saw a familiar and kind side of her today.

I always thought Chou was a stoic and strong-willed person but...

Come to think of it...

I'll wash the glue off your clothes and dry them.

Ah... Okay... Thanks.

Um... It's my father's but I'll leave a change of clothes for you here.

Other Illustrations

Above is a rough sketch of the Eiken Official Guide Book cover. Everyone is in their underwear... Well, it's very Eiken in a way... (Sweat) Illustrations with everyone in them are a lot of fun

Here's a rough sketch of the back cover for "Urakendo Zero". What can I say? It's shameless self-promotion.

(へ;)

I could hardly remember how I used to draw it.

You guys  
operated  
such a big  
gym.

I... I had  
no idea...

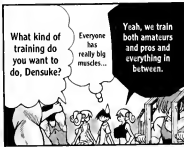

M...  
Muscle...  
Club?

Th... The  
gym...

Our gym has a  
special program  
called "Senior  
Special: You can  
be a macho man  
even if you're  
sixty!"

What kind of  
training do  
you want to  
do, Densuke?

Everyone  
has  
really big  
muscles...

Yeah, we train  
both amateurs  
and pros and  
everything in  
between.

Gkk!!

Welcome to  
our gym! I'll  
whip you into  
shape!!

K... Kirika,  
I haven't  
agreed to  
this...

I'll see  
you  
later!

It's a  
training  
program you  
can do  
anywhere  
as long as  
you have a  
partner.

That's  
right!!

Mini muscle  
training  
program?

What?  
That's all  
you want  
to do?

Th...  
There's no  
way I could  
keep up...

I... I think  
something  
more basic  
would be  
good for  
me...

Then you'll do  
the "Easy! Mini  
Muscl. Training  
Program for  
Two!"

That's what  
you said last  
time and you  
ate all my  
protein bars!

Shut up, Rail!  
It's not like I'm  
going to hog  
him!

Y... You can  
both whip me  
into shape so  
don't... fight...

Well you  
used  
all my  
bananas  
to bake a  
cake!!

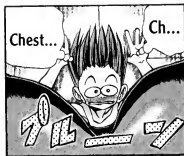

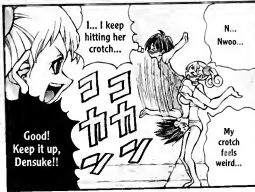

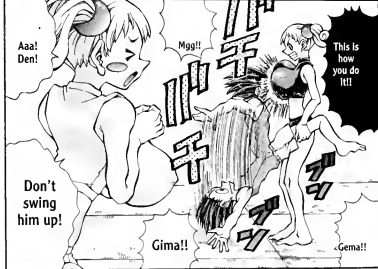

Let's whip  
him into  
shape!!

I... I can't  
breathe...

Who's  
going to  
whip him  
into shape?

Nwwoo!  
I'm the  
one...

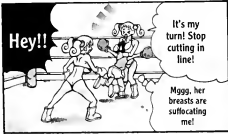

Aah!

Den!

It doesn't matter whose turn it is!

Hey!!

It's my turn! Stop cutting in line!

Mggg, her breasts are suffocating me!

Nwooo!

Just because you're older doesn't mean you always get to go first!

... I can't breathe...

Agh!!

Mgeh!!

You'll get your chance but I'm going first!!

Gheh!!

I went first and you went next so it's my turn!

I can't look at her straight...

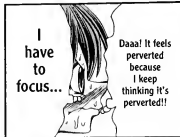

Fggg! Her costume is barely covering her!

Bring it on!!

Come!!

Double  
Attack!!

Once  
he goes  
back and  
forth we'll  
switch!!

You promised  
you'd switch  
after a turn!!

Aaa!!

Another  
25 meters  
back!

Take  
that!!

Ahh!!

Noo!

Eek!

Ow! That  
hurt!! There's  
no need to  
push!

Okay,  
let's  
go!

Mgaaa!!

Gmaa!!

Mgg!!

Just because  
you were  
born an  
hour earlier  
doesn't mean  
you're right!!

Fine!!

Aah...  
S... Stop  
fighting!!

We'll settle  
this in an  
underwater  
wrestling  
match!!

I am  
right!!

Uh...  
Um...

I didn't  
break  
anything!  
Stop acting  
like you're  
right!

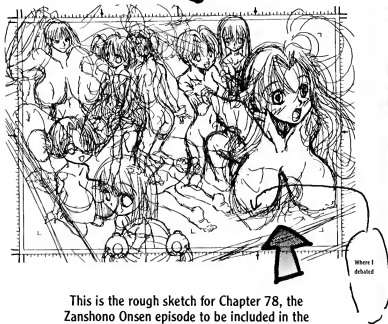

It's fine!  
You're the  
one who  
broke your  
promise!

Other Illustrations Part 2

This is the rough sketch for Chapter 78, the Zanshono Onsen episode to be included in the Official Guidebook in color. It's actually easier to do color illustrations when everyone is naked (sweat) (You have to use more colors when they're wearing clothes) The most difficult part of this illustration was deciding on Chiharu's beast size... (Sweating a lot) Lately, I'm starting to think maybe they're a little too big... But if I make them smaller I think people might be disappointed in me as a manga artist? I'm having a difficult time deciding (^.^;

I have  
a while  
until my  
appearance!

## Game Chat 2

In most of the volumes I talk about games but there was a period in my life I prioritized my manga and stopped playing videogames (approximately four years)... The first time was when I was in my second year of high school. The last game I played was Dragon Quest IV. I didn't play for approximately two years from when I graduated Yoyogi Animation School and until I got my first one-off manga in a magazine. The other time was when I stopped playing videogames for over a year after the Eiken serialization began.

(Star) Well, I'm sure if you like games, you can understand. Videogames are addictive!! If there's an interesting game you put your life on hold to play it all day. It has that power over you. (Star) When I stopped playing I also decided to sell off my consoles. (Star) I might sound like I was determined but it was because if they were around, I'd end up playing it. It just shows how weak I am

Lately I've become used to having a weekly serialization and have some extra cash so I'm back to playing videogames again. The most I can play is an hour a day because my eyes are already tired from staring at the manga manuscripts all day (Hearts) I'll probably be playing videogames even when I'm old and grey

## Game Chat

How I was introduced to videogames... Famicom of course (heart) I'm part of the Showa Era generation so my entire generation was influenced by it. (Heart) When it came out, only rich kids could afford it (I couldn't even figure out how to use the controls yet... (Sweat) ) I got a Famicom when the "Super Mario" craze was finally settling down. I remember being really happy because my parents also bought me "Mighty Bomb Jack". I endlessly played that game (Heart). Later on, my parents bought me a bunch of games like "Dragon Quest", "Gradius", "Hattori-kun", "Goemon", "Goonies" etc... Looking back, I have really fond memories (Hearts) I also enjoyed a bunch of Disk System Games, such as "Onigashima", "Kid Icarus", "Famitan", "Zelda", "Dracula", "Metroid", "Pro Wrestling", "Tokimeki High School", etc... (^^) (Personally, I'd love to see these amazing games get released as Advance games

I decided to write about video games because I saw the news about how they stopped making the Famicom disk rewrite systems and got sad

Which do  
you like  
better?

Long or  
Short?
